Attachment "A"

On December 13, 2022, Homeland Security Investigations (HSI) led Rio Grande Valley Child Exploitation Investigations Task Force (RGV CEITF) received an investigative referral from the National Center of Missing and Exploited Children (NCMEC). The referral stated that the York County Sheriff's Office (YCSO) in South Carolina received information-regarding the online enticement of a 14-year-old minor child (hereinafter referred to as minor victim #1 "MV1"). The YCSO reported that MV1 sent nude images to a man in Texas claiming to be a 19-year-old adult male. YCSO investigated and completed a series of reports. A mobile telephone number led RGV CEITF to identify Juan Carlos MUÑOZ, a 41-year-old adult male, as a suspect.

On December 16, 2022, RGV CEITF, with the assistance of the La Joya Independent School District Police Department (ISDPD), contacted MUÑOZ at Palmview High School in Palmview, Texas. MUÑOZ is employed as a special education teacher at Palmview Highschool. MUÑOZ stated that he has been employed as a special education teacher for 14 years. RGV CEITF escorted MUÑOZ to the La Joya ISDPD for an interview. In a post Miranda interview, MUÑOZ admitted to soliciting MV1 for sexually explicit images and videos via several online social media applications. MUÑOZ stated that he believed MV1 to be 11 to 12 years-of-age. MUÑOZ told SAs that over the last three years he has solicited over 50 minor children via the internet for nude images and video. MUÑOZ told RGV CEITF that he would masturbate over video chat while directing the children to perform sexually explicit acts. Coercing and enticing MV1 to send sexually explicit images through the use of online social media, would constitute receipt of child pornography, which is a violation of 18 United States Code Section 2252A(a)(2)(A).
